## The 24/7 Posting Compliance Management Tool

- **Easy Location List Manager.** View, revise, and export your location list addresses.

- **View Posters.** See the same posters that your locations see by viewing PDF versions of state and federal posters.

- **Shipment Tracker.** Up-to-date shipping details for all locations.

- **Monitor Updates.** See mandatory and recommended updates for all your locations.

- **Invoice History.** View paid and outstanding invoices for past purchases.

- **Returns Rate.** Quickly identify locations whose shipments are returned.

- **Mobile Phone and iPad Friendly Design.** Designed to work with you when you need it.

Visibility & Control of YOUR Compliance Program

GovDocs customers enrolled in our Update Program with laminated posters access the Dashboard at **no extra charge**.

Your locations are covered by our guaranteed posting Update Program subscription service, and you maintain visibility over your entire program in **one user-friendly place**.

Customer Experiences with the GovDocs Dashboard

PETSMART

"I use the Dashboard to:

- **Answer poster compliance questions.**
- **Track poster ship dates and store requests.**
- **Receive notifications about updates.**"

Stantec

"I love the ability to **make address and contact updates**."

Finish Line

"It's nice to be able to log into Dashboard and **view information about our store locations**. Dashboard helps to keep everything up to date."

rh Robert Half®

"I use the Dashboard to **view individual posters** when responding to questions from our field locations. I can also **check effective dates** on posters for each state where we have an offices."
